

Join Our Growing Community

Aerofly FS 2 Flight Simulator has an active community. Come join in to receive the latest information directly from the developers at one of these locations:

- on [Facebook](#)
- on the official [Aerofly FS 2 Forum](#)
- on [Steam](#)

Joining our forums gives you a huge advantage over others. The community is active and willing to assist you in whatever your adventure is. Whether it's making your very own scenery using our easy to use tools or simply making your own livery for one of our available aircraft. The choice is yours and the help is there for you.
